Subject: U.S. EPA - Need to Change Meeting on January 24th to a Conference Call Due to Expected Weather Issues in Reno Area

Stacy Parobek, District Director, Office of Congressman Mark Amodei

Ashley Jonkey, State Director, Office of Senator Dean Heller

Gillian Block, Field Representative, Office of Senator Catherine Cortez Masto

Dear Colleagues:

Our Acting Regional Administrator Alexis Strauss has asked me to reach out to each of you to let you know that because of the expected weather issues next week in the Reno area, she will not be attending as planned the Regional Tribal meeting in Carson City in person, and wanted me to see if in lieu of her meeting with you in person on Tuesday, January 24th at 1:00pm in Congressman Mark Amodei's Reno Office, whether I could set up a conference call or, if possible, a video-teleconference if your offices have that capability instead. If setting up a video-conference (VTC) is problematic, I can easily set up a tele-conference line with a call-in number and access code.

Please let me know if a tele-conference would work best and if so, will adjust the calendar invite and resend to each of you. I look forward to hearing back from each of you and thanks for your understanding.

Dial-In Number: (866) 299-3188

Conference Code: 4159721596#

Leader PIN: 1015 (for use only by Brent Maier to initiate the call)

Please give me a call if you have any questions or need any additional information.

Regards,

Brent Maier
